

What is Viera Link?

Panasonic
ideas for life

New for 2007 Models

Control the menus of other home AV devices from the TV Remote control.

Simply press the Viera Link button on the TV Remote to access the menus on other 2007 Viera Link equipment connected via HDMI. Select the device and navigate the menus as normal.

Power On other connected devices as the device is required all from the TV remote.*

* HD Camcorders cannot be powered on from the "power-save" (standby) condition
